

1. Suprarenal mass due to a gastric diverticulum. Verbeeck N, De Geeter T. J Belge Radiol. 1994 Jun;77(3):119-20.
2. Colour Doppler imaging of an ascending pharyngeal artery arising from the internal carotid artery. Verbeeck N, Puttemans T, Dardenne AN, Libon E. J Belge Radiol. 1996 Apr;79(2):59-60.
3. Saccular aneurysm of the external jugular vein, an unusual cause of neck swelling. Verbeeck N, Hammer F, Goffette P, Mathurin P. J Belge Radiol. 1997 Apr;80(2):63-4.
4. Hepatic cystic mass with a daughter cyst: a feature of mucinous cystadenoma. Verbeeck N, Hoebeke Y. J Belge Radiol. 1997 Jun;80(3):113-5.
5. And a Song in my... Kidney. Verbeeck NY. RadioGraphics. 1997 Jul-Aug;17(4):850.
6. Adbominal calcifications in mesenchymal chondrosarcoma : case report and review of the literature. Verbeeck NY. JBR-BTR. 1999 Aug;82(4):149-50.
7. Patent internal and external carotid arteries beyond an occluded common carotid artery: report of a case diagnosed by color Doppler. Verbeeck NY, Vazquez Rodriguez C. JBR-BTR. 1999 Oct;82(5):219-21.
8. Duodenal diverticulitis. CT diagnosis and conservative management. Verbeeck N, Mazy V, Hoebeke Y. JBR-BTR. 1999 Jun;82(3):99-100.
9. A pitfall of neck vessels Doppler ultrasound: left subclavian artery occlusion without vertebral steal syndrome. Verbeeck N. JBR-BTR. 2000 Dec;83(6):300-2.
10. Doppler ultrasound and aortic regurgitation. Evaluation of the sensitivity and specificity of Doppler findings. Verbeeck N, Prioux D, de Meester A, Libon E, Alexis F. J Radiol. 2004 Mar;85(3):321-5.
11. Post-cardiac catheterization femoral fistula corrected by ultrasound-guided compression. Verbeeck N, Lacroix J. JBR-BTR. 2005 Jan-Feb;88(1):7-11.
12. Diagnosis of inguinal bladder hernias: the current role of sonography. Verbeeck N, Larrousse C, Lamy S. JBR-BTR. 2005 Sep-Oct;88(5):233-6.

13. Incidental sonographic finding of an extracranial internal carotid artery aneurysm confirmed by CT angiography. Verbeeck N, Boulanger T, Mataigne F, Larousse C, Lacroix J. JBR-BTR. 2005 Nov-Dec;88(6):328-31.
14. Arterial duplex and aortic valve stenosis: sensitivity and specificity of findings. Verbeeck N, Casters L, Lebrun F. J Radiol. 2006 Jun;87(6 Pt 1):647-53.
15. Unilateral partial adrenal necrosis in a case of polycythemia vera with severe thrombocytosis : unique CT and MR imaging. Verbeeck N, Ries F, Dicato M, Hermes G, Niedercorn JB. EJR Extra. 2006 Jan;61:19-22 (doi:10.1016/j.ejrex.2006.10.002).
16. Assessment of renal graft obstruction due to ureteral inguinal hernia : US detection and 3D MR confirmation. Verbeeck N, Niedercorn JB, Mc Intyre D, Pouthier D, Lamy S JBR-BTR. 2007 Mar-Apr;90(2):132-4.
17. The Question at Hand. Verbeeck NY. RadioGraphics. 2007 May-Jun;27(3):898.
18. Bleeding duodenal varices, an unusual presentation of portal hypertension: 3D MSCT imaging followed by percutaneous transhepatic embolization. Verbeeck N, Stammet P, Weber J, Mertens L, Sérignol J. JBR-BTR, 2009 Nov-Dec ;92(6):289-92.
19. Exceptional, potentially fatal combination of emphysematous pancreatitis and gas-forming cholecystitis: successful multidisciplinary conservative treatment supported by repeated CT-staging. Verbeeck N, Hartmann KM, Weber J, Martin M. JBR-BTR. 2011 Mar-Apr;94(2):71-4.
20. Dialysis arteriovenous fistulas: the critical role of color doppler ultrasound. Verbeeck N, Prospert F, McIntyre D, Lamy S. JBR-BTR. 2011 Sep-Oct;94(5):266-77.
21. Spontaneous pre-anastomotic occlusion does not necessarily prevent the effectiveness of forearm native dialysis fistulas : echo-Doppler, 3D magnetic and angiographic imaging. Verbeeck N, Pillet JC, Prospert F. JBR-BTR. 2013 Mar-Apr;96(2):55-64.
22. Thrombosis of an aorto-iliac stent graft used for treating an ilio-caval arteriovenous fistula following lumbar disc surgery. De Magistris L, Arru L, Verbeeck N, Pillet JC. J Mal Vasc. 2013 Jul;38(4):271-5.
23. Primary aortic thrombosis: role of enhanced multislice CT demonstrated in three exceptional cases. Verbeeck N, Cavez N, Plawny L, Weber J, Lens V. JBR-BTR. 2014 Mar-Apr;97(2):76-80.

24. Acute renal failure due to bilateral ureteral stone: a rare occurrence. Mocanu I., Verbeeck N., Prospert F. JBR-BTR. 2014 Sep-Oct;97(5):319-20.

25. Comparative Doppler flow measurements of the ulnar artery and of the postanastomotic radial artery in radiocephalic arteriovenous fistulas to detect steal syndromes. Verbeeck N., Pillet J.C., Mocanu I., Mathieu X., Prospert F. JBR-BTR. 2014 Nov-Dec;97(6):331-5.

26. The “Jokari sign”, an imaging feature diagnostic of a wandering accessory spleen. Vander Maren N., Verbeeck N. JBSR. 2015 Sep;99(1):58-61.

27. PEComa of the Uterus: A Rare Mesenchymal Tumor Displaying a «Snowstorm» Pattern at Magnetic Resonance Imaging. Verbeeck N., Toukouki A., Weis R., Van Wymersch D. JBSR. 2016 Jan;100(1):5-11.

28. An Exceptionally Rare Cause of Upper Digestive Tract Hemorrhage: the Intra-gastric Rupture of a Splenic Artery Aneurysm Associated with a Pancreatic Adenocarcinoma. Toukouki A., Verbeeck N., Weber J., Lens V. JBSR. 2016 Feb;100(1):26-29.

29. Paclitaxel-Coated Balloon Angioplasty of Venous Stenoses in Native Dialysis Fistulas: Primary and Secondary Patencies at 6 and 12 Months. Verbeeck N., Pillet, J.C., Toukouki A., Prospert F., Leite S., Mathieu X. JBSR. 2016 Jul;100(1):1-6.

30. Pilot randomized trial of conventional balloon angioplasty vs. drug coated balloon angioplasty for the treatment of dysfunctioning autologous dialysis fistulae. Vander Mijnsbrugge W., Verbeeck N., Henroteaux D., Laenen A., Cornelissen S., Heye S., Maleux G. Oral presentation by Vander Mijnsbrugge W. during the September 2016 CIRSE Congress (Barcelona).
